### Am I Eligible to Play Novice

**A player who has won two rounds in any seasons open in any age division (not including byes or defaults) may NOT play Novice in any season in age division.**

**A player winning only one novice round robin tournament in a season may continue to play novice in that season but not the following seasons in any age division.**

**A player winning two novice round robin tournaments in a season may no longer play novice that remaining season or in any other season in any age division.**

**If a player wins a division having less than 5 participants a decision will be made by the VCJTA Board as to the future novice eligibility of that player.**

**A player becoming ineligible for novice in one age division may NOT move up in age division and continue to play novice.**

**A player winning any USTA satellite is ineligible for novice in any age division.**
